STATEMENT OF AVAILABILITY			
This Procedure is to be made available in the law library or other resource center.			

PURPOSE

Regulations governing incarcerated individual visiting are necessary in order to attain the Nebraska Department of Correctional Services' (NDCS) objectives to increase opportunities for incarcerated individual self-development and to maintain a safe, secure and humane environment for incarcerated individuals, team members and the public.

PROCESS

It is the procedure of the Nebraska Correctional Center for Women (NCCW) to allow incarcerated individuals visiting privileges and retain such privileges as long as the incarcerated individual does not violate the rules and regulations governing visiting.

The NCCW Visiting Regulations shall be made available to visitors, NCCW team members, and incarcerated individuals so interested parties may be informed of the details of this program. Copies of the Visiting Procedure may be obtained from the Pass Clerk's desk or from the NDCS website www.corrections.ne.gov.

The content of this procedure is intended primarily as a procedural guideline for team members to follow in implementing the NCCW's visiting regulations and informing visitors and incarcerated individuals of these procedures. Further detailed information is also noted in Policy 205.02, *Visiting*, and is recommended for NCCW team members, incarcerated individuals and visitors to review. Nothing in these regulations should in any way be interpreted or construed to mean that visiting is an automatic "right" or that regulations governing the visiting process create any rights or benefits for incarcerated individuals, which are not explicitly stated in Section § 83-186 of the Nebraska State Statutes. In compliance with the content of that statute, the Warden retains full authority to permit or deny visits by members of the public.

NCCW will follow all guidelines set forth in policy 205.02, *Visiting*, the below information is specific to NCCW.

DEFINITIONS

Definitions for the following can be found in NDCS Policy 205.02, *Visiting*. NCCW will follow all NDCS rules, regulations and policies regarding these topics: Immediate Family, Special Visit, Extended Visits, Emergency Visits

Reasonable Suspicion – Objective, articulable fact(s) which would reasonably lead an experienced correctional employee to conclude that a particular visitor or individual is concealing something on their body for the purpose of transporting or attempting to transport such material (contraband) into the institution.

PROCESS

I. WHO MAY VISIT

An NCCW incarcerated individual may have visits from anyone they choose subject to the approval of the Warden/designee. In making their determination, the Warden shall consider the effect the presence of such visitors shall have on the NCCW, its team members, the incarcerated individuals confined within, and the probable effect such presence shall have upon the rehabilitative progress of the incarcerated individual to be visited. Actual administration of the visiting approval process is delegated to the Assistant Warden/designee.

II. ADDITIONAL VISITING REGULATIONS

A. Visitation Applications

No visitors will be permitted to visit prior to submittal of the authorized visiting forms and approval by the Warden/designee. False or incomplete information on this form will result in a denial of visiting privileges.

B. Scheduling Visits

All visits (in-person or virtual) must be scheduled seven (7) days in advances through the Nebraska Department of Corrections website:
<https://www.corrections.nebraska.gov/facilities/nebraska-correctional-center-women>.

Visits must be approved seven (7) days in advance of the requested visit to attend.

C. Virtual Visits

Virtual visits will be made available by a contracted provider. Further information regarding virtual visits can be found on the Nebraska Department of Corrections website:

<https://www.corrections.nebraska.gov/facilities/nebraska-correctional-center-women>.

III. VISITATION APPROVAL PROCESS

A. It is the responsibility of each incarcerated individual to initiate the visiting process. Incarcerated individuals may obtain a Visitation Request Form (VRF) (attachment #1) from a team member and mail them to those persons they desire to have placed on their approved visiting lists. Any VRF that is not returned directly to the office at the below address, is incomplete or is sent to the incarcerated individual will not be processed. Each prospective visitor must complete a VRF and return it to the following address for processing:

 1107 Recharge Rd
 York, NE 68467

B. The Pass Clerk will follow the below steps to approve/deny a VRF received at NCCW:

1. The Pass Clerk will verify the VRF is completed correctly. If the form is not completed, a notation will be made at the bottom and forwarded to the Assistant Warden/designee for review.
 - a. If the form is incomplete, the Pass Clerk will send a memo to the incarcerated individual instructing them to inform the visitor to complete a new VRF with the needed information and return it to the Pass Clerk.
2. The Pass Clerk will then use the visitor's Social Security Number (SSN) to do a search to verify the visitor is not listed on another NDCS incarcerated individual's approved visiting list. If the visitor is on another NDCS incarcerated individual's approved visiting list, the relationship will be reviewed to see if they meet the NDCS qualifications (i.e., immediate family) to be on more than one incarcerated individual's approved visiting list. If they do not meet the qualifications, a note will be placed at the bottom of the VRF and forwarded to the Assistant Warden/designee for review.
3. The Pass Clerk will then enter the visitor's full Name, SSN, Date of Birth (DOB) into the incarcerated individual's visiting list. This does not mean the visitor is approved, but shows they are "pending".
4. The Pass Clerk then creates a form that lists the visitor's Name, SSN, DOB and the incarcerated individual's name and number they wish to visit into the Nebraska State Penitentiary. This information is used to do the background check (NCIC) on the visitor wishing to visit.
5. Once the NCIC is completed, they are returned to the NCCW Pass Clerk who reviews the documents with the VRF and makes a recommendation for approval/denial. If the recommendation is denial, the reason will be noted at the bottom along with the Pass Clerk's initials and the date.
6. The Pass Clerk sends the forms with the recommendations to the Assistant Warden/designee for final approval/denial.
7. All VRF's, once approved/denied will be forwarded to the Records office for retention in the incarcerated individual's institutional file.

C. The Assistant Warden then returns the completed approval/denied VRF's to the Pass Clerk who will enter the approval/denial into the computer system. The denied forms will be sent to Records to be filed in the incarcerated individual's master file. The Pass Clerk then removes the bottom portion

of the form indicating to the incarcerated individual the visitor was approved or denied. This form is then copied and sent to the incarcerated individual. The original is filed.

1. The Pass Clerk will destroy all criminal history information.

2. The VRF will be separated and signed by the Pass Clerk, who will copy the bottom section and forward to the incarcerated individual (which is the incarcerated individual's official notification of a particular visitor's status) and the top section to Records to be filed in the incarcerated individual's institutional record.

D. All visitors must have their VRF approved/ denied by the Assistant Warden/designee.

E. Whenever an incarcerated individual receives a VRF notification slip from the Pass Clerk indicating a particular visitor has been either approved or denied visiting, it shall be the responsibility of the incarcerated individual to notify that person of that particular approval or denied decision.

F. Any individual who has not been approved to visit may appeal that decision directly to the Warden/designee in writing.

G. Any incarcerated individual may grieve the VRF decision through the grievance procedure.

H. The Warden/designee must approve all VRF's submitted by the victim of an offense committed by the respective incarcerated individual.

IV. SPECIAL, EMERGENCY AND EXTENDED VISIT PROCEDURES

A. Whenever an incarcerated individual knows at least one working day (Monday through Friday excluding holidays) in advance that they are expecting a visitor who would fall under Special, Emergency, and Extended Visits Guidelines, they must request visiting consideration by submitting a Special/Extended/Emergency Visit Form (Attachment #1) to their Case Manager. The Case Manager will verify the information noted on the form and then forward it to the Unit Administrator who will make the final approval/denial decision. If approved, this form will be forwarded to the Pass Clerk where they will keep it on file until the requested visit day arrives. If the visitor does not arrive on the expected day, the Pass Clerk will note it on the form. The Pass Clerk will sign their name to the form, date it, and distribute as noted on the form. A special visit may be extended with the permission of the Unit Administrator.

B. If a visitor arrives at the NCCW who was not expected by the incarcerated individual but who is otherwise eligible for special visits, the applicable Warden/designee or a higher authority will make the decision as to whether or not to allow that person to visit.

C. Visits for incarcerated individuals housed in the SNF beds at NCCW or on a plan A or B status will be reviewed by the Administration and handled on a case-by-case basis.

VI. CLERGY, ATTORNEYS AND PUBLIC OFFICIAL VISITS

A. Attorney and Public Official Visits

1. Attorneys and public officials may visit incarcerated individuals at the NCCW at any time provided they do not interfere with counts, security measures, or emergencies, and that they occur during reasonable hours. Reasonable hours are defined as between 0800 and 1600 hours, Monday through Friday. This policy does not apply to public officials who by Statute (Section 83-186) are authorized to enter the institution at any time.
2. Attorneys and public officials may visit without placement on an incarcerated individual's visiting list. Attorneys entering a facility on official business will be required to show a current photo ID along with a valid Bar Association Card. Attorneys will not be subject to a search of their person; however, the attorney's belongings will be searched, and they must pass through the metal detector. Team members will not read any legal materials during the search of the attorney's belongings.
3. Attorneys are authorized to bring in a digital camera and laptop or tablet that does not have cellular capability. Attorneys will present these items for inspection, and a notation will be made in the log in the Visitor Sign In log located at the front desk of the administration building.
4. Paralegals for Attorneys may visit to conduct legal research regarding an incarcerated individual's case after the Attorney submits a letter to the Warden and is approved identifying the paralegal, incarcerated individual client, and nature of the business to be conducted. No person acting in the capacity of a paralegal will be admitted into the institution without a letter of endorsement from their Attorney. Paralegals are required to submit a NCIC and must be approved prior to entry.

B. Clergy Visits

1. Incarcerated individuals desiring approval of Clergy for visitation will request it to the Religious Coordinator on an Incarcerated individual Interview Request. The Religious Coordinator will mail a Clergy Visitation Request Form (C-VRF) to the requested Clergy along with a copy of the NDCS Information for Clergy and Lay Religious Visitors. Clergy members must visit on regular visiting days and hours only.

4. Denial of a C-VRF will be done by Central Office only after consulting with the Religious Coordinator and Warden. The above steps will be followed after the decision to denial has been made, except addition of the clergy to the incarcerated individual's Visiting Record.
5. The Central Office will update the database of all approved clergy. The Religious Coordinator will verify the visitor's clergy status in NiCAMS.
6. Clergy will be added to the visiting list of a particular incarcerated individual only by the request of that incarcerated individual.
7. Clergy may visit up to four incarcerated individuals at the same time. BIPU incarcerated individuals are excluded without prior approval from the Assistant Warden/designee.
8. Clergy must request to visit an incarcerated individual through the NDCS website. This request must be made 7 days in advance of the day they wish to visit and must be approved prior to arrival.
9. If a member of the clergy arrives at NCCW during other than "reasonable hours" and claims a need for a visit with an incarcerated individual due to an emergency, (e.g., death, injury or serious illness of an immediate family member), the clergy will relay complete background information to the Shift Supervisor through the Central Control team member by telephone. The Shift Supervisor will verify the emergency information as received. Upon verification and approval, reasonable efforts will be made to escort the incarcerated individual to the Visiting Center for the requested visit.
10. When processing a Clergy member into the institution, Pass Clerks and Front Entrance team members should check the person requesting to visit against the Clergy/Volunteer Database.
 - a. If the requesting clergy person is listed and they are authorized to visit the requested incarcerated individual, the visit will be processed according to normal procedures.
 - b. If the Clergy visitor is active on the Clergy/Volunteer database but does not appear on the incarcerated individual's approved visiting list in NiCaMS, the visit will not be approved. The incarcerated individual will need to request the clergy be added to their approved visitor list.
 - c. If the Clergy visitor is not active in the Clergy/Volunteer database, then they need to inform the incarcerated individual so the incarcerated individual can submit an Incarcerated individual Interview Request to the Religious Coordinator to have that clergy person added to the Clergy/Volunteer database and incarcerated individual's list in NiCAMS.

Program Overview

The Virtual Visitation Program (VVP) is designed to strengthen community supports to improve quality of life during and after incarceration. The program supplements the in-person visitation opportunities, offering incarcerated individuals and their family members and/or friends a virtual visit using an online platform (e.g., Zoom, Webex, Skype) to encourage communication and support. Conversation prompts may be provided to assist in positive, pro-social communication. Program effectiveness will be measured by self-report using a post-visit-survey. Other measurable outcomes may include a decrease in negative behaviors and increased participation in recommended treatment/programming (i.e., accepting a recommendation previously refused). In addition, it is expected that participants will have improved interactions with their peers and staff members.

Visitor Participation

Individuals who are approved visitors, in accordance Policy 205.02, *Visiting*, are eligible to request a virtual visit. Virtual visits are in addition to in-person visiting opportunities. Visitors who are approved only for Special Visits may have one virtual visit in place of an in-person visit.

The approved virtual visitor must present a copy of their driver’s license/State ID as requested prior to the visit and upon entry to the virtual visiting room (this applies to adults and minors, age 16 and up).

All minors under age 16 must have a birth certificate on file at the time of the scheduled virtual visit.

All visits must be scheduled via the NDCS [website](#).

Minors may participate in virtual visits but must be approved per policy and accompanied by the authorized guardian for the duration of the visit. At no time shall a minor initiate a virtual visit.

Attorneys and clergy may virtually visit if they are on the approved visiting list. Where private communication is required, in-person visiting is recommended because all virtual visits are subject to being monitored and privacy rules do not apply.

Visitors must provide their own equipment and the necessary internet connection to participate in virtual visiting.

Visitors may not record or take photos/screen shots of the virtual visit. Violation may lead to loss of virtual or in-person visiting privileges.

Approved visitors who allow non-approved individuals to participate in virtual visits will be subject to suspension/termination of virtual visits and/or all visits. Violations of the program protocol or NDCS policy may result in a suspension of the visitor's virtual visiting privileges and may affect in-person visits. The suspension may be temporary or permanent depending on the nature of the violation. The staff member supervising visits has the discretion to terminate the visit at any time.

Incarcerated Participation

Incarcerated individuals are eligible to participate in VVP unless specific restrictions have been issued. Virtual visits will be conducted in the same manner as in-person visits (i.e., dress code, behavior, language, etc.). Individuals are expected to comply with all NDCS policies and procedures. Violations could result in immediate termination of the visit, misconduct report, disciplinary sanctions and/or suspension or termination of visiting privileges.

Virtual visits are provided in the designated area and require use of headphones, which the incarcerated person must bring to the visit. Staff will connect the visitor and the individual and will adjust the volume of the device as requested. At no time should the incarcerated individual touch the device without express permission.

Scheduling

The VVP schedule will be determined by the space and operational limitations of each facility. Virtual visits will, generally, be permitted at least once per month and will typically be during the same days and hours of in-person visiting. Each facility will develop and publish their schedule, to include length and frequency of visits.

Individuals will be notified via email of the virtual visit once it has been approved. Instructions will be provided via email to the visitor at least three days in advance of the virtual visit.

 Good Life. Great Mission. DEPT OF CORRECTIONAL SERVICES	PROTOCOL VIRTUAL VISITATION PROGRAM	
	REVISION DATE September 8, 2021	PAGE 4 of 4

Each facility will identify a process for preference to be given when multiple requests are received for the same time slot.

Monitoring

Designated team members will closely monitor all virtual visits for compliance with policy and procedure. This includes checking IDs at the beginning of the visit, observing to ensure additional people are not in view, and that both the incarcerated individual and the virtual visitor(s) are being appropriate and following established rules. The supervising staff member has the discretion to terminate the virtual visit at any time for any violation of the rules or misconduct; such must be reported to the shift supervisor immediately.

Suspensions/Terminations

Visitors and incarcerated individuals will receive written notification of suspensions/terminations, which will include the reason and duration of the suspension/termination.

A visitor who has been suspended/terminated and is found to be participating in virtual visits during a period of suspension may be terminated or have the suspension extended.

A visitor who is suspended or terminated from virtual visiting privileges may be suspended/terminated from other visiting privileges.
